TEACHING EXPERIENCE

Teaching Assistant

University of Kentucky, 2011-present

- Main instructor of a course that introduces the basic methods of humanistic inquiry in Gender and Women's Studies, examines cultural beliefs and meanings about men and women, and explores the lives, achievements, and creative expressions of women in a cross-cultural, interactive, and interdisciplinary format.

Adjunct Faculty Member

Transylvania University, 2010-present

- Main instructor of a course that introduces students to the sociological perspective on social life, focusing on the relations between the individual and social forces, identity and socialization, deviance, group dynamics, social institutions, and social change, including coverage of the major forms of social inequality.
- Main instructor of a course that introduces the nature, causes, and possible solutions to important social problems including various forms of social inequality, crime, drug abuse, domestic violence, environmental pollution, and war.
- Main instructor of a course that covers the major aspects of the social science research process, including ethical issues in research, problem selection, operationalizing concepts, research design, population sampling, methods of data collection and analysis, and reporting findings. This course utilizes a strong focus on application of knowledge through hands on projects

Part-time Instructor

Eastern Kentucky University, 2008-2010

- Main instructor of a course that teaches basic knowledge of sociology with an emphasis on the application of sociological theory to daily life and the creation of social change

Part-time Instructor

University of Kentucky, 2007-2009

- Main instructor of a course that introduces the sociological imagination and the application of the sociological perspective to everyday life utilizing a strong focus on sociological theory.
- Main instructor of a course that focuses on social inequalities, cultural competence/sensitivity and bringing awareness to oppression and privilege

Instructor

Blount County Jail and MCFamilies, 2001-2003

- Main instructor of two GED classes that also emphasized life and parenting skills

Tutor

Maryville College Dean's Scholarship and Bradford Scholarship Programs, 2000-2003

- Tutored a variety of subjects including social science research methodologies, speech and rhetoric, statistics, English, and French

RESEARCH EXPERIENCE

Research Assistant, Center for Research on Violence Against Women

- **Open Doors Study (2009-2010)**
 - Collected data
 - Attended research team meetings
 - Entered data into SPSS
 - Analyzed data
 - Co-authored reports and manuscripts focusing on the needs of incarcerated battered women and battered women at risk of incarceration
- **Women's Safety Study (2008-2010)**
 - Cleaned data in SPSS
 - Analyzed data
 - Co-authored reports and manuscripts focusing on the prevalence of self-reported, physical, sexual, and stalking victimization among female students at a South-Eastern University
 - Co-authored reports and manuscripts focusing on the perceptions of female students regarding their fear of crime, risk of victimization, violence against women, and the availability of services.
 - Co-authored reports and manuscripts focusing on the impact of on-campus prevention, education, interdiction, and intervention programs that have been implemented on campus
- **Domestic Violence Protective Order Study (2004-2009)**
 - Entered data into SPSS
 - Cleaned data
 - Analyzed data
 - Co-authored reports and manuscripts focusing on trends over time associated with the issuance, service, and violation of protective orders
 - Co-authored reports and manuscripts regarding the offending patterns and characteristics associated with a sub-sample of petitions
 - Co-authored reports and manuscripts examining protective order trends by rural, urban-influenced, and urban characteristics of the jurisdiction in which the order was issued
 - Co-authored reports and manuscripts examining the characteristics associated with petitions denied by the court
- **Homicide and Domestic Violence Study (2005-2008)**
 - Collected data

- Entered data into SPSS
- Cleaned data
- Analyzed data
- Co-authored reports and manuscripts focusing on the influence of gender and victim-type on sentencing and parole board decisions through a comparison of incarcerated women who assault or kill and incarcerated men who seriously assault or kill
- Co-authored reports and manuscripts focusing on the effect of the statutory exemption from application of the violent offender status in domestic violence cases
- **Women's Safety Study (2004-2007)**
 - Recorded data
 - Analyzed data
 - Co-authored reports focusing on the perceptions of female students regarding their fear of crime and the locations they found intimidating on campus
